

Easy Access –Navigation Guide

Easy Access provides several ways to search recorded documents. Our documents are indexed and can be searched by name, legal description or document type from mid-1971 to present.

Reception numbers or book and page numbers are necessary to locate documents recorded prior to 1971, or can be used to search for specific documents if you already have that information. Grantor/grantee index books are located in our office at 200 W Oak Street, Fort Collins, if a search by name is required for documents or marriage licenses recorded prior to 1971.

Name Search

1. To search by "Name," first change the search method from the default of Starts With to **Contains**¹. To search common names, enter the last name² and then the first name. **Do not** use commas(,) or braces ({ }) as punctuation. Adjust the number of records to return from 100 to 2000³. Click "Submit."
(Tip: Less information returns more results. If you are unable to locate a document using Last Name First Name, try Last Name only, and use the column filter to search variations of the First Name. Organization names should be entered exactly as registered).

The screenshot displays the Larimer County Official Records Search interface. The search filters are as follows:

- Name:** Contains 1, smith john 2
- Party Type:** Both
- Begin Date:** 1/1/1862 4
- End Date:** 3/14/2018 4
- Show first 100 records:** 3

The results section shows 100 records of 737. The search criteria are: Name "smith john", Document Types "", Begin Date "1/1/1862", and End Date "3/14/2018". The results table is as follows:

#	Status	Search Name	Grantor	Grantee	Record Date	Doc Type	Book Type	Book	Page	Reception #	DocLinks	Legal
1	V	BARRETT-SMITH JOHN	BARRETT-SMITH JOHN	COMMERCIAL CREDIT CORP	10/18/1979	FINANCIAL STATEMENT UCC	RE	0000	0000	10050		

2. This will return results - documents that contain that name in either the grantor or the grantee field.
3. To narrow or broaden a search, the date range⁴ may be adjusted.
4. Use the column filters⁵ to further refine results. Each column has a field above in which you may enter a name or keyword to search or refine existing results.

- To narrow a search to a specific document type, click "Select."⁶ This will give you a drop-down list to choose from. Check the box next to each document type you wish to search. If you already know the two or three letter document code, you may type that code in the "Document Type" field.
